MEMORANDUM FOR: Chief/Security Officer/DDS&T

SUBJECT : National Security Industrial Association  
Proposed Panel Members

1. Attached is a list of names proposed by NSIA to form a panel to advise DD/S&T on special problems assigned to it by Dr. Wheelon. You will note that there is no information on place and date of birth indicated. I called Mr. Paul Newman, NSIA Committee Executive, to obtain this data but he was unable to provide it. Is there any way of obtaining a security clearance based on the information given by them? The names proposed appear to be those of well-known people in the industrial field.

2. I have forwarded another list to Dr. Wheelon to advise him that Mr. Newman would like to have a meeting of his representatives with Dr. Wheelon during the week of 11 December for the purpose of selecting a panel based on the names submitted. Is this feasible from a security clearance standpoint?
